

Oxygen Forensic[®]

Detective Network.

Easy Management

USB dongles are no longer needed on every computer.

Efficient Administration

The Network server administrator has the right to close the connection if it is idle and not being used anymore.

Borrow License

The Network server allows you to borrow a license to work offline.

Faster Renewal

A multi-user license takes less time to be transferred or renewed.

Seamless Connectivity

The Network server supports both local and remote connection options.

Scalability

The Network license is available for 5, 10, 20, and 50 concurrent connections.
